

## 2016 George Washington Carver Program Summer Internship

*Pictured: Ms. Zaliya Morris discussing her research poster with Dr. Kevin Hall*

MarTREC and the University of Arkansas were honored to support Zaliya Morris of Jackson State University as our George Washington Carver Research Summer Intern in summer 2016. Morris is a Civil Engineering senior at JSU this Fall. Civil Engineering Assistant Professor Dr. Clint Wood served as Morris' advisor for the summer. Her research, "Comparison of Photogrammetry Software" will be presented at the Transportation Research Board 96th Annual Meeting in Washington D.C.
